Message from the Chancellor

Dear Class of 2020:

Congratulations on achieving this consequential milestone on the journey of a lifetime.

No doubt, you will look back on this day for years to come, filled with pride at your accomplishments—and maybe even with a sense of relief at attaining what, at times, felt more than a little daunting. Today, we celebrate you—and all the hard work, perseverance and scholarship that brought you to this day.

Of course, you did not make this journey alone. We also recognize the faculty who deepened your knowledge and inspired you to see the world from new perspectives. We acknowledge the counselors, advisors, librarians, coaches and support staff who championed you at every turn. And indeed, we appreciate the family, friends and loved ones who encouraged you, uplifted you and supported you along the way. Please remember to thank these important people, and let them know how much their support means.

We call today’s celebration a “commencement” because it is not an end, but rather a beginning. As you start the next chapter of your life, I urge you to continue to wholeheartedly pursue knowledge, truth and innovation, and to strive to elevate your community, state and nation as you achieve your personal and professional goals.

And I encourage you to stay in contact with your campus and the larger California State University community. Connect with classmates, seek out faculty as mentors and join alumni chapters. Look for opportunities to inspire and support future generations who seek to follow in your footsteps.

As a proud CSU graduate myself, I welcome you to the world’s largest and most influential alumni community—more than 3.8 million strong.

On behalf of the entire California State University, again, congratulations.

Sincerely,

Timothy P. White
Chancellor
President’s Message to the Graduates

Dear Humboldt Graduates,

There is nothing more meaningful or more significant to a University than celebrating the moment our students complete their degree as Humboldt State University graduates. Congratulations and well done!

Do you remember that first day in class? Wondering where classrooms were located and not being sure what to expect? Remember the sights, sounds, smells, and activity around the University Center? There was an energy on every clear day, as well as a sense of camaraderie amongst students. Do you remember the t-shirts and sweatshirts you would wear displaying your pride in your university? Or, do you remember the moments you volunteered your time to help others, in the truest spirit of what it means to be a Lumberjack. Each of those moments is a mark you have left upon this University—forever. As a University we will forever be better because of you. It is our sincere hope that you will forever be better because of us, too.

You now join one of the largest and proudest groups of people—those who call themselves alumni of Humboldt State University. As you embark on the next steps in your life, please know that we are extremely proud of you and grateful for your commitment to your education and this University. Please continue to do your part to help create a better society and better planet.

Forever Humboldt,

Dr. Tom Jackson, Jr.

Graduation Pledge of Social and Environmental Responsibility

Green ribbons may be worn by graduates to symbolize their support of the Graduation Pledge of Social and Environmental Responsibility, a commencement tradition that started at HSU in 1987. The pledge has been adopted by universities worldwide.

“I pledge to explore and take into account the social and environmental consequences of any job I consider and will try to improve these aspects for any organizations for which I work.”
