SPRING COMMENCEMENT **2025**

May 17 | Redwood Bowl

Message from the Chancellor

Dear Class of 2025:

As we celebrate your accomplishments today, I hope you'll take a moment to consider how much you've changed since you first set foot on campus. In your time at the California State University, you have transformed yourself from someone with big dreams on a quest for knowledge into a person empowered to make limitless contributions to our world.

This transformation was inspired, supported and admired by your family, friends, colleagues and loved ones, who have cheered you on through your academic journey. It was spurred by your faculty, who have helped you develop a critical eye and a creative mind. And it was reinforced by the work of your counselors, advisors, librarians, tutors and coaches, who fostered an encouraging environment for you to persist, thrive and succeed.

You have filled all of us with pride.

You are now part of a vibrant network of well over four million CSU alumni who are powering California, the nation and the world. Together, you will solve our greatest challenges, educate the next generation, fight for democracy and a more just society, and enrich our workforce and communities with your talents.

As you continue on your exciting path forward, please stay connected to your alma mater and to the CSU. I hope you will use your connections – both to your campus and to other CSU alumni – to open new doors of possibility and to make a meaningful impact in your chosen field. I also encourage you to reach back often to support those who aspire to follow in your footsteps.

Today's event is called "commencement" for a reason. It is not an end, but rather the beginning of your next great pursuit. May your hard work and sacrifices lead to happiness, prosperity and deep fulfillment, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2025. We can't wait to see all that you will accomplish.

Sincerely,

Mildred García, Ed.D.
Chancellor

President's Message to the Graduates

Dear Cal Poly Humboldt Graduates,

There is nothing more significant to us than celebrating the moment our students complete their degree as Humboldt graduates. Congratulations and well done!

You are now ready to embark on a new chapter of your own. I expect, as I have heard from so many alumni, that you will appreciate the importance of today's ceremony even more as the years go by. You have discovered your voice, made lifelong friendships, and attained an achievement that will be yours for the rest of your life: earning a college degree.

As you stand here today, you are a testament to the power of dreams and determination. By achieving this milestone, you have proven that you can turn aspirations into reality. But this is only the beginning. You now carry the responsibility to be the change you want to see—for your family, for your community, and for yourself. Let your actions inspire others to dream big and to make a difference in the world—one person at a time—through acts of kindness and generosity of spirit.

On behalf of the entire university community, including the faculty and staff who have worked tirelessly to help you achieve your personal and professional dreams, we thank you. Your contributions have enriched our community in countless ways, and it is our sincere hope that the knowledge, experiences, and friendships you've gained here will continue to shape your journey ahead.

Please know that we are extremely proud of you and grateful that you selected Cal Poly Humboldt as the launchpad for the rest of your life's adventures.

Forever Humboldt,

Michael E. Spagna, Ph.D.
Interim President, Cal Poly Humboldt

Regalia: Commencement ceremonies at Cal Poly Humboldt, like those at most universities in the United States, feature distinctive academic regalia and ornamentation.

Upon conferral, the tassel on the cap is moved to the left. The gown's sleeves indicate the highest degree held—the bachelor's gown has long pointed sleeves, the master's has long oblong sleeves, and the doctor's has very full sleeves with velvet bars. The color of the hood's silk lining indicates the area of study as well as the institution conferring the degree. The colorful regalia of our faculty attest to the many different universities from which they graduated, as well as the variety of their academic fields.

Ceremonial Mace: An ornamental staff which is typically made of metal or wood, the mace symbolizes authority and is carried by a faculty member who leads the processional and recessional.

Cal Poly Humboldt's mace was redesigned during its 2013-14 Centennial Year by a team of University craftspeople and artists, including Art Professor Kris Patzlaff and her students; Jennifer Slye Moore, then administrative support coordinator in the Art department; and Art alumnus Roger Durham.

"The entire shape represents a torch, which symbolizes enlightening students through their educational experience at Humboldt," Patzlaff explains. The mace is also constructed of sustainable materials, including recycled metal and unleaded enamel. Engraved in silver on the mace is the University's motto: "Phos Aletheia," Greek for "Light and Truth."

Music: "Pomp and Circumstance," composed by Britain's Sir Edward Elgar in 1901, welcomes graduates to Lumberjack Arena.

Graduation Pledge of Social and Environmental Responsibility

Green ribbons may be worn by graduates to symbolize their support of the Graduation Pledge of Social and Environmental Responsibility, a commencement tradition that started at Humboldt in 1987. The pledge has been adopted by universities worldwide.

"I pledge to explore and take into account the social and environmental consequences of any job I consider and will try to improve these aspects for any organizations for which I work."
