FALL COMMENCEMENT **2023**

December 15 | Lumberjack Arena

Message from the Chancellor

Dear Class of 2023,

I offer you my most enthusiastic and heartfelt congratulations on achieving this consequential milestone on the journey of a lifetime.

Today, we celebrate you – and all the hard work, perseverance and scholarship that brought you here. You will undoubtedly look back on this occasion for many years to come, filled with a

well-earned sense of pride in your accomplishments – and maybe even a sense of relief for attaining a goal that, at times, might have felt more than a little daunting.

As numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. You have by necessity developed and demonstrated skills – far beyond your academic work – that will ensure your continued success: resilience, flexibility, resourcefulness, patience and tenacity. Your resolve shines brightly as a symbol of hope and optimism. It is admirable. And it is inspiring.

Of course, you did not make this journey alone. We also recognize the faculty who deepened your knowledge and enabled you to see the world from new perspectives. We acknowledge the counselors, tutors, advisors, librarians, coaches and support staff who championed you at every turn. And we appreciate the family, friends and loved ones who encouraged you, uplifted you and supported you along the way. Please remember to thank these important people and let them know how much their support means.

This celebration marks a new beginning for you – a time to commence a new life, filled with opportunities and prospects made possible by your degree from the California State University!

With this rite of passage we call “commencement,” you will join a dynamic, global network of more than 4 million CSU alumni. They are a remarkable force for good, and I am certain your addition to their ranks will multiply their contributions to our communities, to our state and to the world. I ask that – in the Cal State spirit – you use the knowledge, skills and personal qualities you have developed to work for justice, seek opportunities to foster equity and always uplift and empower others. Stay connected to your campus and look for ways to give back. And whenever possible, support future generations who aspire to follow in your footsteps.

On behalf of the entire California State University, again, congratulations.

Sincerely,

Mildred Garcia, Ed.D.

Chancellor, The California State University

President's Message to the Graduates

Dear Cal Poly Humboldt Graduates,

There is nothing more significant to us than celebrating the moment our students complete their degree as Humboldt graduates. Congratulations and well done!

Now, you're embarking on a new chapter of your own, and you have worked hard to reach this milestone. I expect, as I have heard from so many

alumni, that you will appreciate the importance of today's ceremony even more as the years go by.

Do you remember that first day in class, wondering where classrooms were located and not being sure what to expect? Remember the sights, sounds, and activity around the quad, particularly on a sunny day? You could feel the energy and a sense of camaraderie among the students. Do you remember the t-shirts and sweatshirts you would wear displaying your pride in your University? How about the moments you volunteered to help others, in the truest spirit of what it means to be a Lumberjack? Each of those moments is a mark you have left upon this University—forever. As a University we will forever be better because of you. It is our sincere hope that you will forever be better because of us, too.

You now join one of the largest and proudest groups of people—those who call themselves alumni of Cal Poly Humboldt. Know that we are extremely proud of you and grateful for your commitment to your education and this University. Please continue to do your part to help create a better society and better planet.

Forever Humboldt,

Dr. Tom Jackson, Jr.

President, Cal Poly Humboldt

Guest Information

Emergencies & First Aid: The University Police Department has a station on the first floor of the Kinesiology & Athletics building just inside the main entrance by the pool for first aid and emergencies.

There are police officers on duty and an ambulance on site. For emergencies, dial 911. For non-emergency assistance dial **(707) 826-5555**.

In the event of an unforeseen situation, we ask that you remain calm and seated, and listen for instructions from the platform area. The main exits out of Lumberjack Arena on the second floor are through the east doors in the Hall of Fame, the southeast doors behind the stage, and the southwest doors leading to the hallway.

Lost & Found: Lost and found is located at the University Police station on the first floor just inside the main entrance of the building by the pool.

Smoking: Cal Poly Humboldt, like all California State University campuses, is smoke- and tobacco-free. Smoking is not permitted anywhere, indoors or outdoors, on the Humboldt campus.

Photographs: Guests are asked not to stand in the aisles or block the view of others for the purpose of taking pictures. A commercial photographer will be taking pictures of all graduates who cross the stage. Proofs of the photographs will be emailed to each graduate at no charge. Photographs may then be ordered, though there is no obligation to do so. Find graduate photos at gradimages.com.

Domestic Animals: Domestic Animals are permitted outside on campus grounds but are not allowed in any campus buildings, with the exception of Service Animals. All animals must be leashed and under the handler's control at all time.

Sign Language Interpreters: Sign language interpreters will be signing throughout the ceremony from the stage. The interpreters will not sign all graduates' names. However, any requests for graduate names you would like signed will be honored. Please let our ushers know of your needs.

Graduation Pledge of Social and Environmental Responsibility

Green ribbons may be worn by graduates to symbolize their support of the Graduation Pledge of Social and Environmental Responsibility, a commencement tradition that started at Humboldt in 1987. The pledge has been adopted by universities worldwide.

"I pledge to explore and take into account the social and environmental consequences of any job I consider and will try to improve these aspects for any organizations for which I work."

About the Ceremony

Regalia: Commencement ceremonies at Cal Poly Humboldt, like those at most universities in the United States, feature distinctive academic regalia and ornamentation.

Upon conferral, the tassel on the cap is moved to the left. The gown's sleeves indicate the highest degree held—the bachelor's gown has long pointed sleeves, the master's has long oblong sleeves, and the doctor's has very full sleeves with velvet bars. The color of the hood's silk lining indicates the area of study as well as the institution conferring the degree. The colorful regalia of our faculty attest to the many different universities from which they graduated, as well as the variety of their academic fields.

Ceremonial Mace: An ornamental staff which is typically made of metal or wood, the mace symbolizes authority and is carried by a faculty member who leads the processional and recessional.

Cal Poly Humboldt's mace was redesigned during its 2013-14 Centennial Year by a team of University craftspeople and artists, including Art Professor Kris Patzlaff and her students; Jennifer Slye Moore, then administrative support coordinator in the Art department; and Art alumnus Roger Durham.

"The entire shape represents a torch, which symbolizes enlightening students through their educational experience at Humboldt," Patzlaff explains. The mace is also constructed of sustainable materials, including recycled metal and unleaded enamel. Engraved in silver on the mace is the University's motto: "Phos Aletheia," Greek for "Light and Truth."

Music: "Pomp and Circumstance," composed by Britain's Sir Edward Elgar in 1901, welcomes graduates to Lumberjack Arena.

"Light and Truth" (the title is the English translation of Cal Poly Humboldt's motto, "Phos Aletheia") was composed by Valgene Phillips, longtime Professor of Music and administrator at Humboldt. Professor Phillips passed away in June 2021.
