FALL COMMENCEMENT **2025**

December 19 | Lumberjack Arena

Message from the Chancellor

Dear Class of 2025,

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. Just a few short years ago, you set your sights on earning a degree. Now, that goal is a reality. I hope you feel a well-earned sense of pride.

Even as numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. By necessity, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary.

Moving forward, you will face new opportunities with the potential for great success. I am sure that you will excel because you have the knowledge, skills and connections gained through your California State University education.

Your personal and educational transformation was aided by faculty, who trained you to look at the world with a critical eye and an open mind. Their efforts were supported by the work of your counselors, advisors, librarians, tutors and coaches who created an encouraging environment for you to succeed. All the while, your family, friends, colleagues and loved ones kept you motivated and saw you through your academic journey.

Your accomplishment today fills all of them – all of us – with pride. You are now part of a network of over four million CSU alumni who are powering the social and economic prosperity of our state – and far beyond. You join fellow alumni who are solving our greatest challenges, educating the next generation, fighting for equality, and creating new opportunities for economic prosperity.

I encourage you to stay connected to the CSU. Use these connections – both to your university and to other CSU alumni – to expand your opportunities and make a meaningful impact on your community and the world. I also encourage you to support the generations who endeavor to follow in your footsteps.

The word we use to commemorate an earned university degree is “commencement.” This is, of course, deliberate. Today is not an end, but rather a beginning. And as you continue on your life’s journey, may your hard work and sacrifices pay dividends far beyond today’s celebration, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2025! I look forward to all that you will accomplish.

Felicitades!

Mildred García, Ed.D.

Chancellor, The California State University

President’s Message to the Graduates

Dear Cal Poly Humboldt Graduates,

There is nothing more significant to us than celebrating the moment our students complete their degree as Humboldt graduates. Congratulations and well done!

You are now ready to embark on a new chapter of your own. I expect, as I have heard from so many alumni, that you will appreciate the importance of today’s ceremony even more as the years go by. You have discovered your voice, made lifelong friendships, and attained an achievement that will be yours for the rest of your life: earning a college degree.

As you stand here today, you are a testament to the power of dreams and determination. By achieving this milestone, you have proven that you can turn aspirations into reality. But this is only the beginning. You now carry the responsibility to be the change you want to see—for your family, for your community, and for yourself. Let your actions inspire others to dream big and to make a difference in the world—one person at a time—through acts of kindness and generosity of spirit.

On behalf of the entire university community, including the faculty and staff who have worked tirelessly to help you achieve your personal and professional dreams, we thank you. Your contributions have enriched our community in countless ways, and it is our sincere hope that the knowledge, experiences, and friendships you’ve gained here will continue to shape your journey ahead.

Please know that we are extremely proud of you and grateful that you selected Cal Poly Humboldt as the launchpad for the rest of your life’s adventures.

Forever Humboldt,

Michael E. Spagna, Ph.D.

Guest Information

Emergencies & First Aid: The University Police Department has a station on the first floor of the Kinesiology & Athletics building just inside the main entrance by the pool for first aid and emergencies.

There are police officers on duty and an ambulance on site. For emergencies, dial 911. For non-emergency assistance dial **(707) 826-5555**.

In the event of an unforeseen situation, we ask that you remain calm and seated, and listen for instructions from the platform area. The main exits out of Lumberjack Arena on the second floor are through the east doors in the Hall of Fame, the southeast doors behind the stage, and the southwest doors leading to the hallway.

Lost & Found: Lost & Found is located at the University Police station on the first floor just inside the main entrance of the building by the pool.

Smoking: Cal Poly Humboldt, like all California State University campuses, is smoke- and tobacco-free. Smoking is not permitted anywhere, indoors or outdoors, on the Humboldt campus.

Photographs: Guests are asked not to stand in the aisles or block the view of others for the purpose of taking pictures. A commercial photographer will be taking pictures of all graduates who cross the stage. Proofs of the photographs will be emailed to each graduate at no charge. Photographs may then be ordered, though there is no obligation to do so. Find graduate photos at gradimages.com.

Domestic Animals: Domestic Animals are permitted outside on campus grounds but are not allowed in any campus buildings, with the exception of Service Animals. All animals must be leashed and under the handler's control at all time.

Sign Language Interpreters: Sign language interpreters will be signing throughout the ceremony near the stage. The interpreters will not sign all graduates' names. However, any requests for graduate names you would like signed will be honored. Please let our ushers know of your needs.

Spanish Interpretation: Simultaneous live interpretation for Spanish speakers will be available during the Commencement ceremony. Headset devices are available on a first come, first served basis and must be returned promptly after the ceremony. An item must be left with them for collateral (such as keys, ID, etc.). Stop by the table on the 2nd Floor just outside the entrance to Lumberjack Arena for assistance.

About the Ceremony

Regalia: Commencement ceremonies at Cal Poly Humboldt, like those at most universities in the United States, feature distinctive academic regalia and ornamentation.

Upon conferral, the tassel on the cap is moved to the left. The gown's sleeves indicate the highest degree held—the bachelor's gown has long pointed sleeves, the master's has long oblong sleeves, and the doctor's has very full sleeves with velvet bars. The color of the hood's silk lining indicates the area of study as well as the institution conferring the degree. The colorful regalia of our faculty attest to the many different universities from which they graduated, as well as the variety of their academic fields.

Ceremonial Mace: An ornamental staff which is typically made of metal or wood, the mace symbolizes authority and is carried by a faculty member who leads the processional and recessional.

Cal Poly Humboldt's mace was redesigned during its 2013-14 Centennial Year by a team of University craftspeople and artists, including Art Professor Kris Patzlaff and her students; Jennifer Slye Moore, then administrative support coordinator in the Art department; and Art alumnus Roger Durham.

"The entire shape represents a torch, which symbolizes enlightening students through their educational experience at Humboldt," Patzlaff explains. The mace is also constructed of sustainable materials, including recycled metal and unleaded enamel. Engraved in silver on the mace is the University's motto: "Phos Aletheia," Greek for "Light and Truth."

Music: "Pomp and Circumstance," composed by Britain's Sir Edward Elgar in 1901, welcomes graduates to Lumberjack Arena. All ceremonial music is played by the Humboldt Commencement Brass Ensemble.

Cultural Performances: Cultural performances by Ballet Folklórico de Humboldt Club, Yolteotl Danza Azteca Club, Mariachi de Humboldt Class, and the Inter-Tribal Drummers Circle will be welcoming and entertaining guests as they arrive before each ceremony.
